Mavidson clairs that through his friendliness with the Menriques until be has been a necessisted vita lineate Thiodess and is sufficiently close to at to obtain the distribution corrections activities of the Communist Party in Taxico. He also stribed that licents Toledane Projectly seer inviews Remigues and advises and commels him which is the boots for his belief that the Commists will contribully infiltrate and take over the Confederation of Culam Termors.

Firstions indicated that about aix or eight months ago a prominent Communist in dittobach, from lending close so a lead and contactors, air acty contacted him and imputed about the permittibility or raving a littlementar facility by the front behind the fron Curtains for the intermediary for a scaledy in dittobach was active so the intermediary for a scaledy facility in cost binguist and rettebach on that the individuals leaded the front Curtain were removed of this facility. For two this could be accombined through the risker in rates for this could be accombined through the risker in rates for 11/2000, and defined months receive the fits facility that the framections inviscent was advised the intermediary that the facility could be reposed for 12/2000 but this arrangement was never completed as the facily would not pay that sunst
